Hello Congressman/Congresswoman _____,

My name is <Insert Full Name>. As an American who lives in <Insert Your Congressional District>, I am kindly requesting that you vote against HR-1. While we need to restore “FITness – Faith, Integrity and Trust” in our elections, HR—1 actually undermines our state’s rights to facilitate fair and transparent elections. Additionally, our forefathers consciously decided that Washington DC should be a neutral city. In that our nation’s capital city should not have an allegiance to a state as it is an iconic symbol of freedom for all Americans. Voting is my most sacred right as an American. So I am asking you to “Trust but Verify My Vote” by voting AGAINST HR-1. Thank you.
