Hello Fellow DeKalb County Republicans,

The DeKalb GOP and Greater Georgia teamed up to deliver the “Canvassing in Your Community” training. We were honored to have Greater Georgia Chairman Kelly Loeffler share her insights and perspectives on DeKalb County. In listening to Kelly, we were all surprised to learn that well over **28,000 parents that are not yet registered to vote in DeKalb County** but who rank “**School Choice**” as their top issue and **another 3,240 unregistered voters who lean right** paired with **5,000 DeKalb residents who voted in the 2020 General Election but did not come out for the Senate Run-Offs**. This is a great opportunity for the DeKalb GOP to start building relationships based on shared values and top-of-mind issues!

The training event empowers the DeKalb GOP GOTV - Get Out to Vote Team to use the Greater Georgia i360Walk App. This data platform will enable us to identify and connect with tens of thousands of unregistered voters that lean right in DeKalb County. Our mission is simple — if we **#VoteDeKalbRed** than we **#KeepGeorgiaRed**. We are proud to be the first Georgia Republican Party County GOP to receive this training and will lead from the front. We have also made the “[Canvass Your Community](#)” Training [available on Rumble](#).

We look forward to seeing you at our [May 8th DeKalb GOP Breakfast](#) and welcoming U.S. Representative Barry Loudermilk, GAGOP Chairman David Shafer, YG Nyghtstorm and Peter Korman as featured speakers. It is our hope that you will join us – and will bring a like-minded neighbor, friend, colleague and/or a family member. Thank you.

Best Regards,
