~ WHAT YOU CAN DO ~

LEARN THE SYSTEM

By attending local club meetings, you can learn how your political system works. Attend Republican meetings and conventions and learn about your Republican Party, too.

DOOR TO DOOR CANVASSING

Door-to door canvassers are the foot soldiers who win elections. If this type of direct contact with voters and potential voters interests you, you can be trained and assigned.

TELEPHONING-VOTER CONTACT

With a personal touch of being in the same neighborhood or precinct makes a difference in getting registered voters out on Election Day.

ASSUME LEADERSHIP ROLES

You will have opportunities through seminars, literature, and organized programs to become qualified for leadership roles at precinct, county and state level, then, become a future candidate.

FINANCIAL CONTRIBUTIONS

You as a contributor are the key to the future of the Republican Party at all levels, and Republican candidates will determine the future of the organizations and make America strong for Republicans to lead.
