Back from CPAC 2022 | Upcoming Events

CONNECTING WITH THE
DeKalb GOP Chairman

Hello <First Name>,

I am just getting back from **CPAC 2022** in Orlando! The theme was **#AwakeNotWoke!** And let me tell you – thousands of Conservatives are AWAKE!! It was so invigorating to be with so many Patriots who now have become Activists! As **John Fredericks** says “**Action! Action! Action!**” Everywhere you went you stumbled over a conservative influencer, candidate, or fellow Georgians – to include **Senator David Perdue, Congressman Jody Hice, Congressman Barry Loudermilk, Congresswoman Marjorie Taylor Greene, Rep. Kay Kirkpatrick, Rep. Timothy Barr, Carminthia Moore, Caroline Jeffords, Jake Evans, Sunny Wong, Mike Collins, Brandon Philips, Julie Hill, Sharon Vrahatis, Suzi Voyles, Pam Alayon, YG Nystrom, Lisa Babbage, Shan Davis, Nancy Babbitt, and Danny Hamilton** – to name a few! Highlights for me included attending the **Reagan Dinner** on Friday night, doing several interviews on **Radio Row**, attending **President Donald J. Trump’s** rousing speech on Saturday evening as well as leading the [Pledge of Allegiance](#) on Sunday morning.

Speaking of **David Perdue**.... I am so excited to share with you the **Save Georgia, Stop Stacey** event with David Perdue this **Thursday, March 3 at 5 pm**. David will be having a Meet & Greet at Kurt's Euro Bistro in Duluth. This is the perfect opportunity for us Republicans in Gwinnett and DeKalb to come together and spend some time getting to know David better...AND I am so honored to have been asked to introduce David at the event. So, come on out and join us for great food and fun!
